1 Premium paint; additional charge. 2 On a full charge based on development testing and/or analytical projection consistent with SAE J1634 revision 2017 - MCT. Range subject to change prior to production. Actual range may vary based on several factors, including ambient temperature, terrain, battery age and condition, loading and how you use and maintain your vehicle. EPA-estimate not yet available. 3 Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather and road conditions may affect feature performance. Read the vehicle Owner's Manual for more important feature limitations and information. 4 Services subject to user terms and limitations. Certain services require working electrical system, cell reception, and GPS signal. OnStar links to emergency services. See onstar.com/businesssolutions for details. Availability subject to change. 5 Actual charge times will vary based on battery starting state of charge, battery condition, output of charger, vehicle settings and outside temperature. See the vehicle Owner's Manual for additional limitations. 6 Service varies with conditions and location. Requires an active service plan and paid AT&T data plan. See onstar.com for details and limitations. 7 Google built-in services are subject to limitations and availability may vary by vehicle, infotainment system and location. Select service plan required. Certain Google actions and functionality may require account linking. User terms and privacy statements apply. Google, Android Auto, Google Play and Google Maps are trademarks of Google LLC. 8 Driver Attention Assist may not always detect the driver's attention status accurately. Driver Attention Assist is an assistance service, and the driver should always pay attention to the road. The driver should take rest breaks when they're tired or drowsy. As the Drowsiness & Attention Assist feature is a camera-based monitoring system, keep hands off the camera and infrared LED banks to ensure the camera can see/detect/monitor the driver's face and function properly. 9 All SiriusXM services require a subscription. Service subject to the SiriusXM Customer Agreement and Privacy Policy, visit www.siriusxm.com to see complete terms and how to cancel which includes calling 1-866-635-2349. Some services, content and features are subject to device capabilities, an active data connection enabled in the vehicle and location availability. All fees, content and features are subject to change. Content varies by subscription plan. SiriusXM and related logos are trademarks of Sirius XM Radio Inc. and its respective subsidiaries. Certain features and/or content may not be available unless an active data connection is enabled in the vehicle. Content varies by SiriusXM subscription plan. 10 Always pay attention while driving and when using Super Cruise. Do not use a hand-held device. Requires active Super Cruise plan or trial. Terms apply. Visit my.cadillac.com/learn for compatible roads and full details. 11 See onstar.com for details and limitations. Services vary by model. Service plan required. 12 Not compatible with all devices. 13 The system wirelessly charges one compatible mobile device. Some phones have built-in wireless charging technology and others require a special adapter or back cover. To check for phone or other device compatibility, see my.cadillac.com/learn for details or consult your carrier.
